Armor - Removed Bound [Weapon] from levelled lists due to issues. - Fixed enchanted Studded Imperial items not showing up. - Fortify Heavy Armor: now works correctly. - Fortify Light Armor: now works correctly. - Fixed several EDIDs. Misc - Renamed cheat chests to "Summermist Cheat Chest" to make them easier to spawn with the console. Armor - Gladiator's Glory: now cheers for you when you perform a killmove. If this is not applied to your save, use the console to remove and add the "Unified Ab" spell. - Added Death's Door. - Added Ritual Protection. Thanks jinncrazy!
